Accident & Sickness Insurance Plan

This brochure describes the Accident & Sickness coverage provided to all non-registered youth and adults while participating in Council-sponsored events and activities, all youth and adults of non-Scout groups, or organizations that have contracted with a Boy Scouts of America Local or National Council for the use of a Local or National Council owned or leased facility or camp.

Coverage

This plan provides coverage to all persons participating in a Sponsored Activity. The coverage is in effect while:

- On premises where an official Council Scouting event or activity is taking place
- On premises of the council owned or leased facilities or camps

Excess Insurance Provision

This plan is an excess insurance plan meaning that it will pay all those eligible expenses incurred from a covered accident or sickness not paid by any other collectible insurance or pre-paid health plan in-force for you or a dependent child(ren). If no other collectible insurance or pre-paid health plans are in effect at the time of the loss, this plan will pay all eligible covered expenses up to the plan limits. There is no deductible under this plan. Also, coverage under this plan does not provide duplicate benefits when an insured member is also insured under another Boy Scout or Learning for Life plan for a national or regional sponsored camp or special event. This provision applies to all benefits offered under these plans, including Accidental Death & Dismemberment.

Benefits

Accidental Death*, Dismemberment, Loss of Sight, and Paralysis

When injuries to the Insured result in death or dismemberment within one year

from the date of the covered accident, and from loss which is independent of sickness and all other causes, the Company will pay as follows. If multiple losses occur, only one benefit amount—the largest—will be paid for all losses due to the same accident.

Covered Loss	Benefit Amount
Life*, Speech, and Hearing in Both Ears	\$10,000
One Hand or One Arm, One Foot or One Leg, Either Eye, Speech, or Hearing in Both Ears	\$5,000
Thumb and Index Finger of the Same Hand, Hearing in One Ear	\$2,500

Loss of a hand or hands, or a foot or feet, shall mean complete severance through or above the wrist joint or ankle joint, respectively; and loss of an arm or arms, or a leg or legs, shall mean severance at or above the elbow joint or knee joint, respectively; the loss of an eye or eyes shall mean the total permanent loss of the entire sight thereof. Loss of a thumb and index

finger shall mean severance of at least one phalanx from each digit of the same hand. When injuries result in paraplegia, hemiplegia or quadriplegia commencing within 60 days after the covered accident and continuing for one year, the Company will pay \$10,000 for paraplegia or hemiplegia, and \$20,000 for quadriplegia.

Benefits for Medical Expenses, Dental Treatment, and Ambulance Services

- Up to \$15,000 for Accident Medical Expense Benefits
- Up to \$7,500 for Sickness Expense Benefits

For each sickness or injury, benefits are payable for medical or surgical treatment, prescription drugs, or for hospitalization or the exclusive services of a private duty nurse (RN or LPN), which begin within 60 days from the date of the accident or sickness that begins during the covered activity. Benefits will be paid for expenses incurred (subject to the Primary Excess Provision explained in this brochure) up to the Usual and Customary charges normally made within the geographic area where treatment is performed.

*Includes loss of life resulting from Heart Failure within 90 days from the date participating in a covered activity.

Dental Expense Benefit

Pays up to \$5,000 for the repair, treatment, and/or replacement of sound, natural teeth. *If, within the 52-week period following the date of the accident the Insured's attending dentist certifies that dental treatment and/or replacement must be deferred beyond such 52-week period,* the Company will pay the estimated cost of such treatment; however, benefits will not exceed a total of \$5,000. This benefit is payable in addition to any other payable benefits under the terms of the plan.

Bereavement and Trauma Counseling Benefit

Pays up to \$100 per counseling session for up to five sessions when the Covered Person and/or Immediate Family Member suffers a covered loss that resulted directly and independently of all other causes from a Covered Accident and requires bereavement and trauma counseling. Such counseling must meet all of the

following conditions: (1) covered bereavement and trauma counseling expenses must be incurred within one year from the date of the Covered Accident causing the Covered Loss; (2) the expense is charged for a bereavement or trauma counseling session for the Covered Person and/or one or more of his or her Immediate Family Members; (3) counseling is provided under the care, supervision, or order of a Doctor; and (4) a charge would have been made if no insurance existed.

Covered bereavement and trauma counseling benefits do not include any expense for which the Covered Person is entitled to benefits under any Workers' Compensation Act or similar law.

Ambulance Benefit

Pays up to \$6,000 for air ambulance service if, in the judgment of the duly authorized medical authority or senior representative of the camp or activity, such service is needed to facilitate treatment of injuries and no other ambulance service is available.
